Realtor, Tracy, CA

Thank you so much, Mr. Graber. I sincerely appreciate the time that you spent inspecting the condo yesterday. You were very thorough and I greatly appreciated that! I have read over the report and most of these things my son can repair/fix/install/change so I don't really see too many problems. Other areas I will take your advice and have professional and/or licensed contractors involved.

Thank you again for being so detailed! That helps a lot! Take care.

Buyer, Modesto, CA
